VENTI

Welcome to Venti Wallet. Let's get started.

Say goodbye to banking fees and protect your personal information when making on-line purchases. Our state-of-the-art payment management system was originally created for the Department of Defense and has now been re-purposed for the consumer market to simplify and reduce the costs of moving money to family and friends living anywhere in the world.

The Venti mobile wallet also acts as a virtual savings account earning interest at a 3.0% APR.

Our mobile wallet and Debit Card system uses three separate account balances to maximize security and protect your financial assets.

We've built a very powerful suite of financial services which allows you to securely and cost efficiently manage your money all using your mobile devices. Move money to family and friends anywhere in the world in real time and for FREE.

We're so glad you've joined our mobile payments revolution!

VIRTUAL DEBIT CARD

Used for extra secure on-line shopping where the balance should be kept at $0 at all times until you are ready to use. Also link your Virtual Debit Card as the funding source for PayPal, Venmo, ShopPay, Amazon, and any other on-line payment technologies around the world. This is the ultimate financial firewall protection against hackers stealing money from you.

MOBILE WALLET

PHYSICAL DEBIT CARD

Great for payroll deposit and retail purchases. Venti creates the form needed for you to get paid two days earlier and funds go right to your Virtual or Physical Debit Card. Pay bills automatically and then move all your extra money to your mobile wallet where its locked down and earning 3% APR.

CUSTOMER ACCOUNT MANAGEMENT

Mobile Application

Venti has built an extremely secure iPhone and Android mobile application. Our feature rich mobile application allows you to untether yourself from your computer and securely manage your money anytime and anywhere in the world.

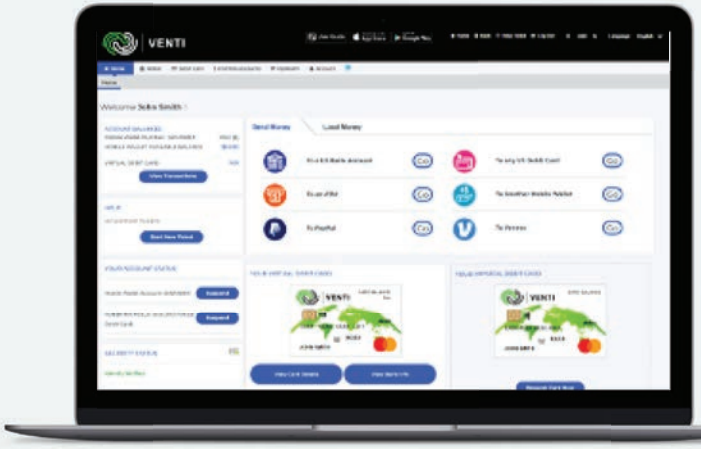

Venti has locked down the application with Multi Factor Authentication, Advanced AI based security, and E2EE / RSA End to End Encryption.

Desktop Web Portal

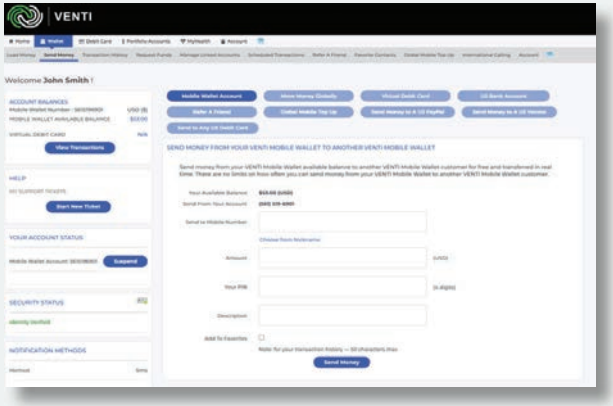

The Venti customer self-care portal website provides you full access to all of our Mobile Wallet & Debit Card functionality and all with a secure desktop connection. For customers who prefer a larger screen, our self-care portal will quickly and securely allow you to manage your money.

Venti has also locked down its on-line care portal with Multi Factor Authentication, Advanced AI based security, and E2EE / RSA End to End Encryption.

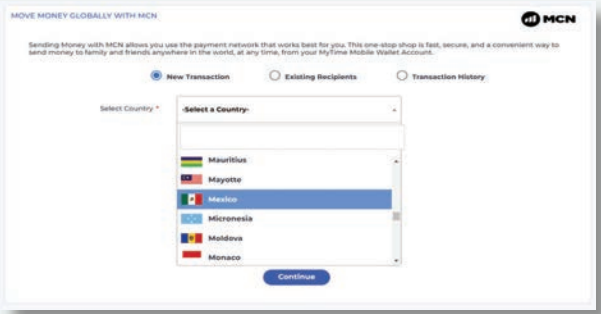

MOBILE WALLET

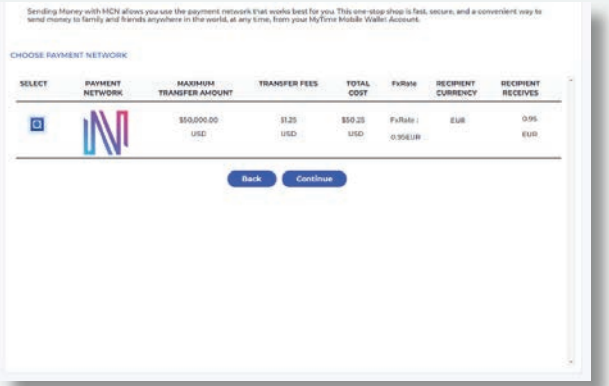

There are multiple ways to **send money** within the Venti Wallet platform.

When sending money internationally, there are different options available to you. Some options are even FREE of charge.

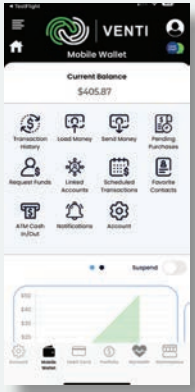

Select the country you wish to **send money** to and the system will help you find the most cost efficient way using our proprietary MCN payment gateways.

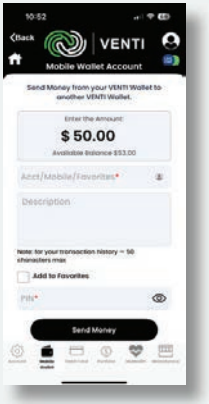

Venti Wallet customers can now add money to any wireless phone account around the world. Navigate to Mobile Wallet> Mobile Recharge and successfully send money to virtually any wireless carrier around the world (4 billion phones in over 140 countries). Funds are delivered usually same day and for FREE.

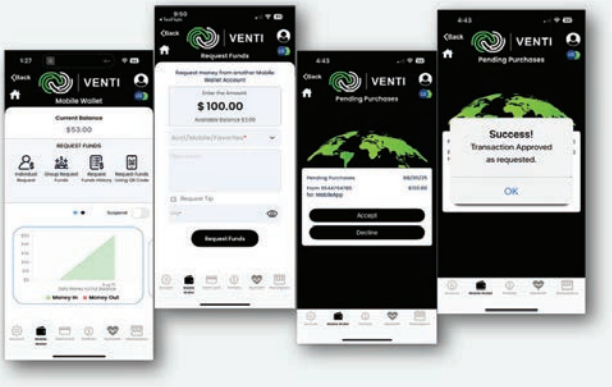

Send money with any of the payment options from your computer or mobile device.

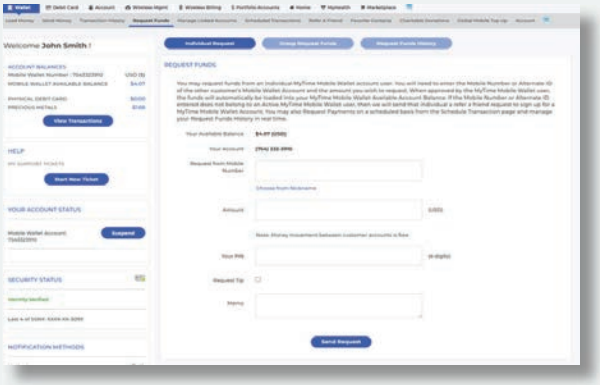

Our mobile wallet makes it easy to **request funds** from individuals or groups (great for splitting bills).

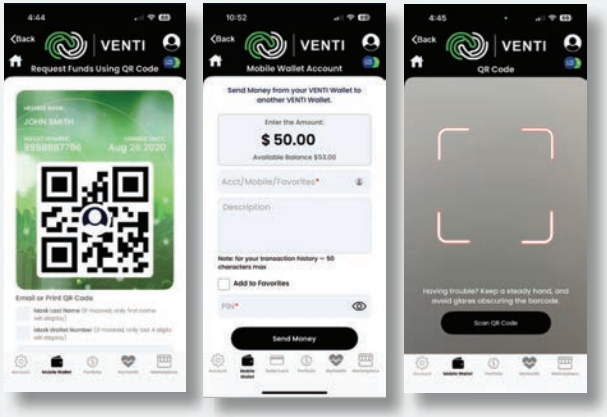

Our customer portal will guide you through the process every step of the way wherever you are.

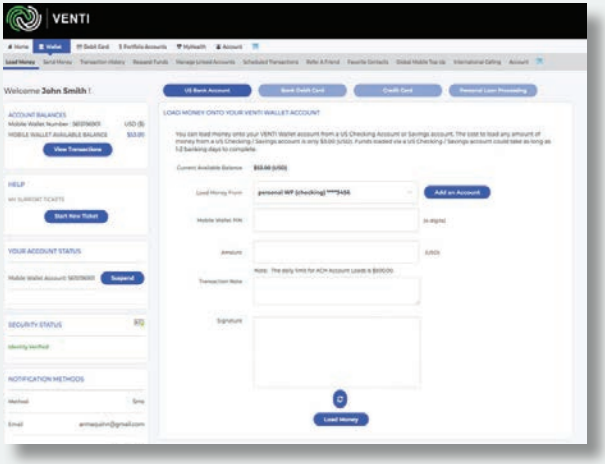

Assign and manage **nicknames** for the people you send money to the most to make it even easier and quicker to send funds.

Request & Send Funds Using QR Code:

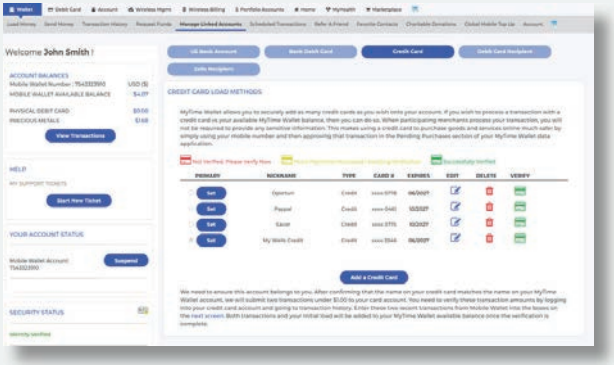

Each Venti customer has their own unique QR code. You can request and send funds using this QR code.

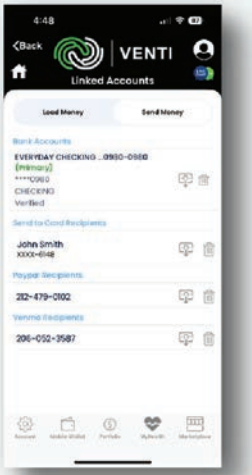

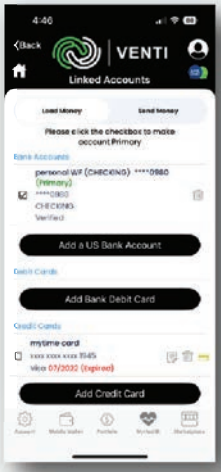

Load money to your mobile wallet account via your U.S. or international bank account, a credit card, or at over 300,000 locations world-wide.

Manage your **linked accounts** including bank accounts, credit cards, and even your Venti Debit Cards.

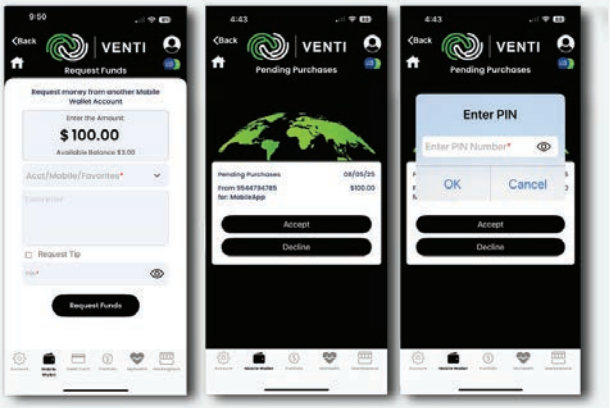

Secure Merchant Payment Processing

You can request funds to individuals as well as to a group of people. Use this technology to collect money for goods and services that you provide to others. There are no merchant processing costs for wallet to wallet transfers, you receive your money instantly, and we 100% guarantee no bad debt.

Finally a secure, cost effective, and easy way to collect money from your friends and your customers. You can even sign up as a merchant distributor and upgrade to a more robust merchant processing module.

ATM Cash Load / Withdrawal

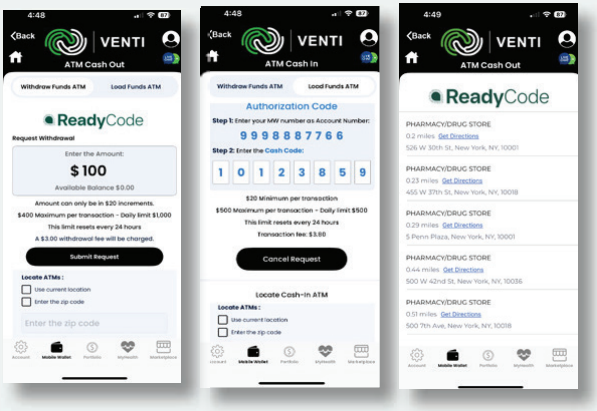

Venti allows you to load funds onto your mobile wallet account at thousands of participating ATMs without using a debit card.

You can locate these specialized ATMs that are equipped to load cash by navigating to Mobile Wallet / Load Funds ATM in the mobile app. You then simply request an authorization code, select your preferred ATM location, and you then have up to 1 hour to use your code at the selected ATM. Once you reach the ATM machine, simply press the card-less transaction option to begin the process. You will then enter your mobile number and the code that you received. The ATM will prompt you to insert your funds and confirm the amount. The funds will then be immediately added to your mobile wallet account.

ATM Cash Withdrawal

Venti also allows you to withdraw cash from your mobile wallet account at select ATMs without using a debit card.
The card-less ATM withdrawals have lower ATM fees than more traditional debit card ATM withdrawals.

You can locate these specialized ATMs that are equipped with card-less withdrawal in the data app by navigating to the Mobile Wallet> Retrieve Funds ATM where you will be prompted to request an authorization code and view ATM card-less withdrawal locations.

Bill Payment

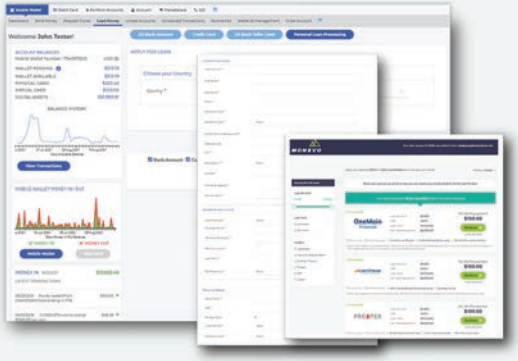

Venti customers can pay bills with the funds on their Virtual or Physical Debit Cards. Go to the website of the company you would like to pay your bill and add your Debit Card as the method of payment. And usually if you sign up for auto-pay, you will receive additional benefits such as a discounts off your bill or additional perks.

Load Money via Personal Loans

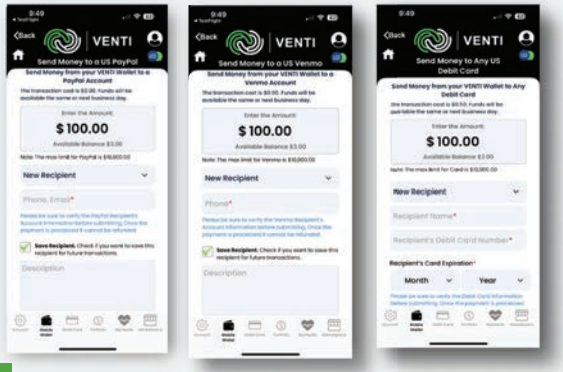

Venti Wallet has integrated into multiple banks to create a consortium of lenders so you can quickly and easily apply for a loan or financing for purchases in our proprietary "Marketplace".

- Low interest personal micro loans
- Buy now pay later financing for consumer purchases including cellular phones
